6th March 2017

Dear Parent/Carer

SIXTH FORM INDUCTION PROGRAMME
TUESDAY 27TH JUNE TO THURSDAY 29TH JUNE 2017

To prepare for your son/daughter joining **saltash.net community school Sixth Form** we will be holding an induction programme from Tuesday 27th June to Thursday 29th June 2017. The programme will start at 9.00 a.m. on the 27th in the Day Room.

This programme is very important in preparing students for joining the Sixth Form and all applicants are strongly encouraged to attend. These days are an excellent opportunity for students to have any questions answered or problems dealt with. Students will also be put into their tutor groups for September and they will have the opportunity to attend detailed 'taster/information' sessions for each of their chosen A level subjects.

A key part of the Induction Programme will be a team building day at Mount Edgcumbe Country Park on Wednesday 28th June. This day will include a number of low-risk activities including orienteering, problem solving and tug-o-war. Transport will be by coach, departing from school at 9.00 a.m. and returning for 3.00 p.m.

The main hazard for the day will come from the weather and it is vital that students are adequately prepared for any eventuality. All students should have a high factor sunscreen, bottle of water as well as warm and waterproof clothes. In addition, old clothes should be worn for the day as they are likely to get dirty! Students will also need to bring a packed lunch and drink, there are no facilities to buy refreshments.

Although the school is able to meet some of the costs of this day, we do have to ask for a non-refundable contribution of £7.00 per student (*see Educational visits – School Charging Policy, Section one*), which will cover transport costs; consequently, this activity will appear on your ParentPay account today. If you have not already completed and returned an annual consent form, a further copy is available in the Sixth Form office and will need to be returned to Mrs S Briggs by Monday 5th June 2017 at the latest to enable your son/daughter to participate.

If you have any queries regarding the Induction Programme please feel free to contact us at the school.

Yours sincerely
