3rd October 2016

Dear Parents and Students

SIXTH FORM INFORMATION EVENING

We are pleased to invite you to our Sixth Form Information Evening on Wednesday 9th November 2016.

There are many options and possibilities open to students upon completion of their GCSEs. However, we strongly believe that, with a proven record of achievement and with a wide range of subjects on offer, the Sixth Form at **saltash.net community school** offers the best post-16 educational opportunities for those Year 11 students who have a good chance of achieving five GCSEs at Grade C or above.

We hope that you will be able to attend the Information Evening to see for yourselves the full range of opportunities we can offer students who wish to continue their education here at Saltash. Obviously, members of staff will be available to discuss the benefits of continuing into the Sixth Form; subjects will be represented by specialist A level and Btec teachers and there will be the opportunity to see some of the facilities available in each subject and in the Sixth Form centre.

The evening has been arranged to enable parents and students to visit up to 5 different subject/interest areas. We ask also that you attend the introductory presentation in the Main Hall at 6.00 p.m. (please remember that parking may be difficult, so it is worth arriving early). This presentation is designed to give a broad perspective on Sixth Form education at **saltash.net community school** and will supplement information contained in our Sixth Form Prospectus which will be available shortly.

Please find attached brief details of the plan of the evening, together with a reply slip. This reply slip does not commit you in any way but will allow us to plan for an evening which we hope will be both popular and beneficial for all concerned.

Yours sincerely

A handwritten signature in black ink that reads 'I. Bryce'.

SIXTH FORM INFORMATION EVENING

Wednesday 9th November 2016

6.00 p.m. - Introductory Presentation in the Main Hall

'A' Level subject sessions will run for 15 minutes, beginning at the following times:

6.35, 6.55, 7.15, 7.35, and 7.55 p.m.

We have allowed 5 minutes between sessions for movement between rooms.

NB: The likely demand for this evening prevents us from making specific appointments for specific times but we would appreciate indications of which subject areas you hope to visit.

'A' Levels and Level 3 Btec course which we hope to be running are:

- Applied Science (Btec)
- Art
- Biology
- Business Studies
- Chemistry
- Computing Science
- Design Technology
- English Language
- English Literature
- French
- Further Mathematics
- Geography
- German
- History
- Mathematics
- Media Studies
- Music
- Physical Education
- Physics
- Politics
- Psychology
- Sociology
- Theatre Studies
