

14th November 2013

Dear Parent/Carer,

Multi Academy Trust update

In my letter to parents dated September 2013, I let you know that it was the intention of **saltash.net community school** to become part of a Multi Academy Trust from the start of the Spring Term 2014. The Multi Academy Trust is to comprise **saltash.net**, Burraton Primary and Landulph Primary schools. As part of the on-going consultation process with all stakeholders, I am writing to let you know that everything is proceeding as planned for Saltash Multi Academy Regional Trust to be formed on January 1st 2014. With this date in mind, I also need to let you know that the consultation period will end on Friday 20th December. We would be very pleased to hear your views about the creation of the Multi Academy Trust here in the Saltash area and invite you to write to us, either by email or letter, before the close of the consultation process. Alternatively, you can call the school on 01752 843715 and ask to speak either to myself, or Mr Buckley, Deputy Headteacher. We continue to be excited by the many opportunities which lie ahead and look forward to strengthening, even more, the very good partnership that already exists between the three schools.

Other news

A full edition of 'Community News' will be coming out in a few weeks' time giving details of all the great things which have been happening at **saltash.net** over the past term. In advance of that newsletter, I would just like to say a very big thank you indeed to all members of our community who have so generously supported our major charity efforts this half term. Immediate support for the people of The Philippines has been a priority this week, but I know that many of you have also been helping out with our 'Love in a Box' initiative, as well as contributing to the Poppy Appeal, Wear it Pink for Breast Cancer research and Movember for prostate and testicular cancer and mental health. (Not to be missed in 'Community News' will be a photo of staff members who have grown – or attempted to grow – a moustache this month!)

As we move towards December, please remember we have our spectacular whole school Drama Production to look forward to. 'Guys and Dolls' will be taking place in our main school hall from Tuesday 10th to Friday 13th December. Tickets are on sale now in reception £5 Adult, £3 Child/Concession.
