

Consultation: School Admissions Arrangements 2019/20

The directors and governors of saltash.net community school have a statutory duty (under the School Standards and Framework Act 1998, as amended by the Education and Skills Act 2008 and the School Admissions Code 2012) to consult on its Admissions Arrangements at least once every seven years or when any changes from the previous year are proposed or where there has been a change in Admissions Authority.

This year, directors and governors have decided to align the consultation process with other schools within SMART, the multi academy trust, thus necessitating a consultation process to take place.

The **draft** Admissions Arrangements for the 2019/20 school year can be found on the school's website. Please go to www.saltash.net and click on Parents Area, Key Documents. You will find the following documents for your consideration:
