

CURRICULUM ENRICHMENT WEEK 2018

Dear Parents/Carers,

I am excited to be able to share with you the wonderful range of activities available for our young people during Curriculum Enrichment Week, which will run from Monday 16th to Friday 20th July 2018.

We have worked hard to provide a variety of opportunities that involve learning new skills and taking part in new experiences, ranging from free in-school activities to those that are more costly. Please read the information very carefully with your child and make first and second choices from the activities listed. Please note that while we have tried to be as accurate as possible, **all costs are approximate at this time.**

This week is an important part of the school academic calendar and is not optional. It is a great chance for students to develop key skills and to explore our core values. It enables excellent learning opportunities and can shape students' future career aspirations and GCSE option choices.

There are over seven hundred students in Years 7 to 9 so the task of arranging the activities will not be easy. It is therefore important that you select a second choice in case your first choice is overbooked. Regrettably, in some instances, students will not get either of their choices. If this happens the administrative team, who will be organising the various groups, will contact the students concerned and discuss with them what activities are still available. The deadline for returning the booking form to school either by email CEW@saltash.net or by returning a paper copy to the reception office is **FRIDAY 15th DECEMBER.**

To help you navigate through the wide range of activities available this year, I have organised the activities according to price. Please see the end of this booklet for information regarding payments and support available, as well as the booking form. Please do also pay close attention to the information at the front of the booklet regarding special arrangements for the week.

Kind regards

Mr R Reynolds
Lead Practitioner in PE and Community Education

HEALTH AND SAFETY

Now, more than ever before, we are extremely aware of the potential hazards involved with adventure activities. It can sometimes be difficult, almost impossible, to create an opportunity for adventure whilst totally eliminating all risks. We sometimes hear of schools withdrawing from all types of adventure activity because of the risk of some unforeseen danger or threat to the well-being of their children.

In the process of organising the wide range of activities listed in this booklet, the staff involved have paid great attention to health and safety and some activities have been modified as a consequence. Where activities take place in a potentially hazardous environment, tuition and supervision by properly qualified instructors have been arranged. In situations where teachers at the school possess appropriate qualifications, their expertise is being fully employed to provide children with real adventure at reduced costs.

Every activity included in our Curriculum Enrichment Week has been risk-assessed for health and safety and adequate staff/student ratios. As a result we can confidently offer a wide range of activities which are within Cornwall Outdoor Education Authority's strict safety guidelines.

SPECIAL ARRANGEMENTS FOR THE WEEK

Travel to and from School

The school buses will operate at the normal times. Some of the activities have starting and finishing times beyond the normal school day. **If you choose such an activity you will have to make your own arrangements for getting to and from school.** Students using bikes must have a school permit to do so. Skateboards should **NOT** be brought into school at any time during this week.

Meal Times

Many daily activities require a **packed lunch**. If your child normally has a free school meal then a packed lunch can be picked up from the canteen each morning before they go on their trip but it is the student's responsibility to organise and do this. The canteen will be open from 8.15 am to 9.00 am and then again at break time and lunch time (until 2.00 pm) during this week and will provide light snacks, buns, sandwiches, drinks etc.

School Dress

During Curriculum Enrichment Week it is usual for students to wear casual, practical clothes. Outlandish styles and jewellery will not be allowed.

Student Behaviour

Naturally we expect students to behave as well as they normally do during this week. In the past we have been complimented by the staff at our venues and by coach companies for the excellent standard of our students. Just in case, though, it is necessary to point out that **unacceptable behaviour will result in students being withdrawn from activities**. In such cases **a refund will not be possible**, as most bookings have to be paid in advance.

IN SCHOOL PROGRAMME - Code A

This free in-school activity will provide students with a variety of OUTDOOR and INDOOR educational challenges which will be led by fully qualified instructors and school teachers. Each day there will be a Wellbeing session, a sport session, a history/creative skills session and two outdoor education type activities. This will include team-building exercises, mountain bike challenges, archery and rock climbing, using the school climbing wall. It will be a very PHYSICALLY active week and SUITABLE CLOTHING AND FOOTWEAR WILL BE NEEDED. Each session lasts one hour so the normal school timings will be followed.

Junkyard Skatepark - Saltash - Code H

Come join us at Junkyard Indoor Skatepark c.i.c for a week of activities, which will include BMXing, Skateboarding and Scooting. We will also have games, artwork, build-your-own kicker ramp to take home at the end of the week; filming, photography, t-shirt designing and much more... Don't worry if you have never done any of these extreme sports before because there will be coaching sessions from our professional coaches, with all levels covered and they will show you what you need to know, whilst building your confidence. At the end of the week you will receive a certificate of achievement to put up on your wall at home. On the last day of the week, we will take a mini bus trip to another Skatepark to show off all your

new skills and weather dependent, we may take a trip to an outdoor Skatepark (more info on this will be given during the week's activities).

If you have your own helmets, skateboards, bikes, scooters, skates etc, please bring them along however, don't worry if you don't as we have a few bits of spare equipment at Junkyard to lend for the week. This is such a fun week, and it's for everyone from beginners to more advanced performers and is available for both boys and girls.

You can bring a packed lunch or we have a tuck-shop where you can purchase drinks, burgers, chips, hotdogs and more...

Junkyard is run in a fun, awesome and friendly atmosphere, so if you see yourself as the next Tony Hawke or Matt Hoffman or you just want to learn some extreme sports skills and have a great week, come spend it with us at Junkyard, we look forward to meeting you.

Students will need to make their own travel arrangements to and from the Skatepark for a 9.00 am start, finishing at 3.00 pm. The Skatepark is situated behind Evans Halshaw garage in Saltash and specific directions will be given at a later date.

Cornwall College Saltash – CONSTRUCTION Workshops – Code M

Do you want to gain an understanding of the skills involved with carpentry, plumbing and brick laying? Do you want to find out about the exciting and varied careers available within these areas? Then join us and develop practical skills and key industry knowledge when you spend the week at the college's industry-standard Construction Skills Centre which is now situated in the main Saltash College building.

You will learn to mix cement, use bricks to construct walls in our trowel workshop, bend, join and solder copper and plastic pipework in our plumbing workshop and join the carpentry team to cut and join timber and much more. There will be taster days in each area and then you can choose which one you want to focus on.

This is a real, hands-on practical taste of the construction industry combining many skills and from these you will be given the chance to construct and take home a project of your choice. This may include items such as a tool box, bird box, candle stick holder and many more.

Due to the practical nature of this course and workshop requirements, protective clothing and sturdy work shoes are a must. You will also need to bring a packed lunch. Health and Safety briefings will be held at the beginning of the week.

Laser Battlefield 'Live' – Code R

- Do you enjoy playing the latest "First Person Perspective" shoot-em-up computer games? Do you wish you could see your opponents for real?
- Do you have an interest in historical conflicts, and have you wondered if your decisions could've changed the outcome?
- Have you played paintball or airsoft, and got annoyed at those restrictive masks, and being hurt?
- Do you want to improve and develop your communication and leadership skills?

If you answered yes to any of those questions, then Laser Battlefield is the activity for you during Enrichment Week. You will be engaged in a week of mental and physical challenges (located on the school premises) based on the "Battlefield Live" laser tag game system. This is "live" computer gaming, using our outdoor laser tag equipment - perfectly safe and immense fun. You will play game missions designed to encourage you to integrate into a team situation; to learn co-operation, team-work, self-confidence and leadership skills which will benefit you in your daily life. You will re-enact small battlefield engagements from the past, learn what happened "for real" and if you could change the course of history by your decisions.

The final day culminates in our fast and furious "Clan Wars", where all your tactics and training developed during the week will be tested to the full. Can you guide your team to victory over the others, and be crowned "Top Gun"?

Battlefield Live staff provide simple tactical training and game skills through short presentations, which can help you in your enjoyment of the activities. We also offer advice and encouragement in all aspects of those activities, to bring out the best in you.

We also offer (as an additional activity on Wednesday) the mid-week "Dusk Mission". This is an exciting extra 3 hours of activities, in which you will learn camouflage and concealment techniques and additional skills to prepare you for the low-light/dark missions that evening. The Battlefield Live game just gets more intense!! Mid-week "Dusk Mission", additional £25.00 per student (minimum number of 16 students)

Snow Sports -Learn to Ski – Code S

Each day will consist of 2½ hours of dry skiing during the day, split up by a session of tobogganing, a session of tubing and a few runs on the viper drop. On one day there will be a chance to try snowboarding. **Necessities are a daily packed lunch, waterproof clothing, long trousers (not jeans), long sleeved shirts, gloves, sun hat and suntan lotion.** Qualified instructors will be leading all the sessions and this is a great chance to learn some new skills in a safe but fun environment at the Plymouth ski centre.

Travel to and from the ski centre will be provided. This is a great value for money activity, as private ski lessons can be so costly and it is a great new skill to learn. This activity is more for **beginners** with little experience and not for those that did it as an activity last year.

Approximate cost: £140

Going Dutch 2018 CODE Z3

This trip runs from Sunday to Friday, leaving school late Sunday evening.

An executive coach will pick us up from school and take us through France and Belgium and across Holland. Our base will be a 3* hotel in Valkenburg.

A lot of the activities are within walking distance; so students need to be prepared to walk for 10 – 15 minutes.

Here is a taste of what we will be doing:

- We will spend the first evening finding our feet exploring Valkenburg and then ten-pin bowling
- We will travel to the highest point in the Netherlands, where three countries meet! See more at this web address; www.goo.gl/KEOoHK
- A visit to the labyrinth with its hidden water walls
- Over to Germany to visit PhantasiaLand (www.phantasiaLand.info.de)
- We will visit the local town caves to play laser tag and human Subbuteo
- Travel to the top of Valkenburg in cable cars and experience the toboggans (www.kabelbaan.nl)
- An amazing underground train ride and light show
- Then to "Mosaqua" – a subtropical swimming paradise water park
- A shopping day in Maastricht and a boat cruise on the river Meuse,

And to finish the week off we have an exciting and challenging activity set in a different set of caves where students will be working together through the different challenges. A bit like 'The Crystal Maze' (see more on the web address spadventure.nl)

PAYING FOR YOUR ACTIVITY – SCHOOL CHARGING POLICY

The Education Act 1996 allows the school to make a charge for these visits as it is outside the conditions put in place by this Act.

- It is not an activity required to fulfil any Public Examination requirement.
- It is not an activity required to fulfil the National Curriculum.
- It is not an activity required to fulfil Religious Education.

As the school does not have funds to cover the cost of travel/admission charges, we must ask parents/carers to make a payment to cover the costs involved. Once your child has been given a place on an activity the activity organiser will be writing to you with a request for a **non-refundable deposit**, the amount of which will be dependent upon the actual cost of the trip. A minimum amount of £100 will need to be paid on more expensive trips. Further staged payments to cover the cost of the more expensive trips will then be organised so that the costs are spread out as much as possible.

Please Note: All payments must be paid using our Parent Pay system. No cash payments can be accepted. If you do not have internet access, please contact the school Finance Office.

In the event of a withdrawal from a trip all expenses already incurred by the school will be deducted from any payment before a reimbursement is made.

We are a fully inclusive school and want all our students to have as many positive experiences and outcomes as possible during this week. If any financial problems do exist or if your circumstances change please contact the finance team who will be glad to help and support you. Telephone 01752 843715 and ask for the Finance Office.

BOOKING YOUR ACTIVITY

When you have read the information on the school website and made your selection, please carefully fill in the booking form with your first and second choices and send it to CEW@saltash.net

Or print out a completed copy and return it to the Reception office. The deadline for all entries is Friday 15TH DECEMBER 2017. Spare copies of the booking form will be available from the Reception office.

PLEASE MAKE SURE YOU **ONLY SUBMIT ONE APPLICATION** WITH YOUR CHOICES LISTED. If you want to change your selection at any time, **please do not email another application**. You must phone the school and speak to THE FINANCE OFFICE to see if it is possible. Telephone 01752 843715 and ask for the Finance Office.

Apart from the Austria and Brittany trip activities will **not** be arranged on a 'first come first served' basis. All of the forms will be processed after the deadline.

Please note: The school reserves the right to veto applications for Residential Visits for students where **behaviour** has not been of an acceptable standard.
