Dear Parent/Carer

Curriculum Enrichment Week, Monday 8th - Friday 12th July 2019, Years 7 – 9

I am writing to let you know about Curriculum Enrichment Week 2019. There are going to be some changes to the way it has been previously organised, so we wanted to give you as much notice as possible.

The main change is that trips and activities will be booked on a first come first served basis on Parent Pay, with the booking window opening at 9.30am on Wednesday 31st October 2018. This is instead of places being allocated by completing a booking form, which means that there is no capacity for having a second choice.

There will still be the wide range of amazing, enriching experiences including both residential and non-residential activities, however in order to make the experience as inclusive as possible we have bought in a cap on the maximum cost of non-residential activities to £100 for the entire week. As well as offering more affordable options it has also been our intention to provide more free or school funded opportunities, meaning that all students will be able to have a wider choice of what they wish to do.

For all non-residential activities we request that a £50 deposit is paid at the time of booking to ensure your place, however if the trip is lower than £50 then we ask that the full amount is paid at the time of booking. The free activities will also need to be booked through ParentPay. Further details will be sent out and this letter is only to give you some notice but should you have any worries at all about payment or booking of activities, please email dpearce@saltashcloud.net. For residential activities we ask for a deposit of £100 to secure a place.

All information will be delivered to students in their year assemblies before half term. Pupils will then bring home detailed information including the list of activities on offer, and a booklet including specific details for each activity will be online and available soon after the assemblies. Please observe some of the key details on the activity list as certain trips and opportunities are for specific year groups or will require a minimum number to run. Changing activities is not going to be an easy process and might well not be possible so picking wisely is important to avoid disappointment.

I will be in touch nearer the time by letter, text message and using the school website. However, should you have any CEW enquiries, please email cew@saltashcloud.net or contact me by telephone.

Yours faithfully

Mrs E Gue
Curriculum Enrichment Week Organiser
