

Provider Access Policy at saltash.net

Introduction

This policy statement sets out our school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-13 are entitled to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point. Pupils will have the opportunity to hear from a range of local providers about the opportunities that they offer, including technical education and apprenticeships – through PD lessons, options events, assemblies and group discussions and taster events to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure A provider wishing to request access for Years 7-11, or for the post-16 pathways evening (Years 9-13), should contact Emma Gue, Head of Careers, Personal development and work based learning, please contact by email: egue@saltashcloud.net. For Years 12-13 they should contact Adam Killeya, Head of Sixth Form by email: akilleya@saltashcloud.net

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers, providers can make the choice as to which events they wish to come in for:

Please speak to our Careers Leader Emma Gue KS3&4 and Adam Killeya KS5 to identify the most suitable opportunity for you. Effort will be made to accommodate as many access requests as possible, bearing in mind the need for balance and variety in such input, and the needs of the school curriculum and timetable'

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by E.Gue in room 48. The Resource Centre is available to all students at lunch and break times.
