

Young People's SEND Board

If you have a **Statement of Educational Needs and/ or a Disability** (or if you believe yourself that you have **Special Educational Needs and/ or a Disability**), and you are happy and comfortable speaking about your views and experiences, then....

We run meetings every month to discuss the issues affecting young SEND people (aged 11-25). We can then take what is said along to the Adult SEND Board meetings - and it can have a real impact upon SEND people throughout Cornwall. We would love to hear from you if you have any questions or want to join the group!
