Monday 26th November

Dear Parent/Carer,

Year 9 GCSE Maths and English Qualification for Parents/Carers.

As part of our ongoing commitment in working with parents/carers, we are always looking for opportunities to increase the educational experience and outcomes for our students by working in ways to support the whole family.

Following external research, it was found that parents' engagement with their child's learning has a direct impact on their child's outcomes. Saltash.net wants to take this a step further and potentially offer qualifications in English and Mathematics for parents/carers if there is sufficient interest. Essentially, we will establish a Parent Academy where you would have a fully funded place to gain a GCSE in English and/or Maths, if you don't already hold these qualifications (or equivalent).

We are also keen to support parents/carers who may already hold these qualifications but would be interested in having a refresher.

So we can gauge what interest there might be, we would really appreciate it if you could complete the following 6 question survey which takes approximately 2 minutes to complete on a computer, tablet or phone. We will also email a link to the survey to your email address registered on SIMS. You only need to complete it once per adult in your household. If you need assistance in completing this form, please get in touch. At this stage, your answers are completely anonymous.

<https://www.surveymonkey.co.uk/r/KZ6X8D5>

If you can think of any other way we can further support parents/carers, please don't hesitate to get in touch.

Can I also take the opportunity to remind you about our new Community Café. A facility for parents/carers to come and talk to our Pastoral Support Assistants about any concerns, questions or suggestions they may have. Every Thursday from 3.15-4.15pm.

Thank you for your help in strengthening our current support to families.

Yours faithfully

A handwritten signature in black ink, appearing to read 'M Oakes'.
