May 2019

Dear Parent/Carer,

As we begin the final weeks of your child's GCSEs, I wanted to take the opportunity to say thank you for your ongoing support over the last 4 years. It's always a privilege to watch students grow and mature into young adults, stand by them when they need it and support them when things don't quite go to plan.

The last whole cohort exam is on Friday 14th June, we are therefore going to rearrange the published 'final day' to ensure that all students can attend as they are already on site. Unfortunately, we understand that some students still have exams in the afternoon and some go on until the week later but we've tried to organise something that won't distract students who still have exams to sit in the PM session. After the morning exam has finished, students will be invited to the field for a BBQ and a short farewell. Whilst we appreciate that this doesn't include a time for fancy dress, we still wanted an opportunity for the students to celebrate the end of Key Stage 4. We will then say a proper goodbye at the Prom.

After the 14th June, students will not be expected to attend school, other than for their exams. Teachers of German and Further Maths are still available during your child's allocated teaching time, should they require any support before their final exams.

I wish them all the very best with their results and hope you all have a relaxing and enjoyable Summer holiday.

Yours faithfully,

Mr Oakes

Assistant Headteacher

Head of Year 11
