25 September 2019

Dear Parent/Carer

**Year 7 – 9 Curriculum Enrichment Week, Monday 6<sup>th</sup> - Friday 10<sup>th</sup> July 2020.**

I am writing to let you know about Curriculum Enrichment Week 2020, which all students in years 7-9 take part in, it is an opportunity for all of our students to select and take part in a week of activities of their choice, where they get the opportunity to build skills outside of the classroom.

All trips and activities will be booked on a first come first served basis on ParentPay, with the booking window opening on Thursday 31<sup>st</sup> October 2019. There will be a wide range of amazing, enriching experiences including both residential and non-residential activities, as well as free or school funded opportunities, meaning that all students will have a wide choice of what they wish to do.

For all non-residential activities we request that a 50% deposit is paid at the time of booking to ensure your place, all non-residential opportunities for the week are £100 or under. For residential activities we ask for a deposit of £50 apart from the Going Dutch residential where we require a £100 deposit to secure a place. We made this move to request a deposit at the time of booking last year as many of the venues that we book and use require early deposits to secure our booking. Paying a deposit will secure the place on that activity, please only book one activity. The free activities will also need to be booked through ParentPay. Further details will be sent out and this letter is only to give you some notice but should you have any worries at all about payment or booking of activities, please email [cew@saltashcloud.net](mailto:cew@saltashcloud.net) or [dpearce@saltashcloud.net](mailto:dpearce@saltashcloud.net).

All information will be delivered to students in their year assemblies before half term. Pupils will then bring home detailed information including the list of activities on offer, and a booklet including specific details for each activity will be online and available soon after the assemblies. Please observe some of the key details on the activity list as certain trips and opportunities are for specific year groups. Changing activities is not going to be an easy process and might well not be possible so picking wisely is important to avoid disappointment, we also reserve the right to remove a student from a trip on behavioural grounds if deemed necessary, especially residential activities.

I will be in touch nearer the time by letter, text message and using the school website. However, should you have any CEW enquiries, please email [cew@saltashcloud.net](mailto:cew@saltashcloud.net) or contact me by telephone.

Yours faithfully

Mrs E Gue  
Curriculum Enrichment Week Coordinator
