

HEADTEACHER:

Ms K. Littledyke | BA (Hons), MA, NPQH

October 2019

Dear Parent/Carer

Sex and Relationships Education

I am writing to make you aware of some forthcoming work that Year 9 students will be doing on Sex and Relationships Education (SRE) in their Personal Development (PD) lessons.

All Year 9 students will begin work on SRE in the latter part of the autumn term. Their work will initially focus on Relationships and will cover such topics as Love, Trust, Pressure and 'What makes a good relationship?' They will also have a visit from an outreach worker with Brook. Later in the spring term and during the summer term students will progress to cover such topics as Sex and the Law, Contraception, Pregnancy, Sexuality, CSE and STIs.

In addition, all students will have a series of lessons during the spring and summer terms, focusing on healthy relationships and the signs, dangers and the consequences of unhealthy or abusive relationships, as well as work around Domestic violence.

This work is an important part of the school's Personal, Social and Health Education (PD) programme, contributing towards students' moral and social development. Equally, we do recognise that these topics can be sensitive, and we would encourage you to contact us with any concerns. Where students find a particular topic upsetting we can arrange for them to be withdrawn from that particular lesson or lessons.

If you have any concerns please contact your son/daughter's PD teacher at egue@saltashcloud.net or akilleya@saltashcloud.net

Yours faithfully

Mrs Emma Gue
Head of PD, Careers and work related learning
