

HEADTEACHER:

Ms K. Littleddyke | BA (Hons), MA, NPQH

16th January 2020

Dear Parents & Students

Post-16 and 18 Pathways Evening
Thursday 13th February – 7.00 – 8.30 pm

You are invited to our annual Post-16 and 18 Pathways Evening which is an informal Careers fair, it will be held in the main hall at Saltash Community school, for all students in Years 9, 10, 11, 12 and 13 and their parents on Thursday 13th February, beginning at 7.00 pm. This evening will be useful for Year 9 students making Option choices, Year 10 students trying to obtain work experience and beginning to think about what to do after GCSEs and Year 11, 12 and 13's who are making big choices about what route to take after they have finished school.

The evening will start with a short presentation on Post-16 and Post-18 options and learning pathways from Jenny Wall, Career-Related Learning Adviser with Careers South West Group and myself. There will then be an opportunity to meet by going around the stands, on an informal basis, representatives from local FE Colleges, Plymouth & Exeter Universities, Marjons, the Peninsula College of Dentistry & Medicine, approved local training providers, Deep Blue Sound, the Armed Forces and local employers such as Babcock, South west highways and BT.

I am sure the evening will be very informative and should help with the important decisions regarding post-16 opportunities that will need to be made in the coming weeks and months.

If you have any Careers related questions then please email me egue@saltashcloud.net and I look forward to meeting you all on the 13th February.

Yours faithfully

Mrs E.Gue
Head of Careers and Work-Related Learning
