

HEADTEACHER:

Ms K. Littledyke | BA (Hons), MA, NPQH

Monday 4th May 2020

Dear Parents and Carers,

Curriculum Enrichment Week 6th-10th July 2020

Firstly and most importantly we hope that you are all safe and well. We are writing to inform you that we have had to take the very difficult decision of cancelling Curriculum Enrichment Week for July this year meaning the cancellation of all activities for Y7-9. There will be more details to follow about Work Experience for Years 10 and 12.

In light of the current situation, the uncertainty of when the school will resume normal activities and what the government guidelines will be when we do return we feel that this is the right decision to take at this stage to ensure the safety of our school community.

Any financial contributions made will be refunded in full including deposits. Our Finance Department will process the refunds as soon as possible, however, given the volume of transactions required this may take some time. Refunds will be made via Parent Pay and parents can choose to leave the payment on their account for use in the future if they wish.

We know this will be disappointing for students and we will look to rebook as many trips as possible next academic year, with the intention of trying to provide even more places on popular activities.

In the meantime should you have any CEW related queries please email cew@saltashcloud.net or refund queries to finance@saltashcloud.net.

Thank you in advance for your support.

Kind regards,

Emma Gue
Curriculum Enrichment Week co-ordinator
