### **Year 9 Options – Information and Virtual Options Evening**

Dear Parents and Carers,

The Options process begins today, with information now available on our website: <https://saltash.net/our-curriculum/options-process-and-booklet/>.

Your child will receive a hard copy of the booklet during PD (Personal Development) lessons, and students will be able to watch the videos in tutor time and with you at home. Teachers have created these informative videos to make sure you and your child know as much about the courses as possible – they are similar to the ‘pitch’ that they make if we hold a physical options evening.

Wednesday 31<sup>st</sup> March is our Virtual Options Evening, where you can make appointments for a 5-minute video call with specific options subject teachers. This starts at 3.30pm and ends at 6.30pm.

Please see attached step by step guide for booking appointments; bookings will open on Tuesday 23<sup>rd</sup> March 2021 at 6pm.

Making appointments: Go to: <http://www.parents-booking.co.uk/saltash>

You will need: Your child’s first name, surname and their date of birth

Please book with the most suitable teacher for the option choice you are interested in. If there is more than one teacher then it does not matter which you book with – but just one appointment per subject, please.

Subject and teachers available for the evening are as follows:

**Animal Care:** Mrs Blackmore
